

Attorney Docket No. 67,008-083/S-5449
Serial No: 10/786,686

REMARKS

The undersigned telephoned the Examiner on June 16, 2004 to discuss the double-patenting rejections. It was agreed that the differences between the pending and the now-issued claims were sufficient that the claims were not "conflicting." Applicant agreed to submit a terminal disclaimer to comply with the non-statutory double-patenting rejection. A terminal disclaimer is submitted herewith.

This application should be in condition for allowance. If any additional fees are required, please consider this a conditional petition therefore, and charge our deposit account No. 50-1482.

Respectfully submitted,
